MARKETING STRATEGY

THREE MAJOR POINTS TO BE FOCUSED FOR TRIGGER IN REGULAR INTERVALS

CUSTOMER ACQUISITION

What is customer acquisition strategy?
Customer Acquisition Strategy refers to the approach a business takes to reach new consumers and convince them to buy their product or service

CUSTOMER RETENTION

What is Customer retention Strategy?
Customer retention refers to a company's ability to turn customers into repeat buyers and prevent them from switching to a competitor.

CUSTOMER DELEACACY

Customer Delicacy:
Brand advocates are people who promote your brand through word of mouth marketing. They're vital to any marketing strategy, because people consult and trust the opinions of others

MARKETING AUTOMATIONS – CUSTOMER RETENTION

Marketing Automation:

Based on the user journey & customer data and behaviour, segments will be created to trigger emails and Whatsapp sequential messages on regular intervals to acquire new customers and retain the existing customers.

Workflow Sample:

- Step 1: Acquire Database on Target groups
- Step 2: Clean & Segment the database
- Step 3: Send Sequential Flows
- Step 4: Broadcast promotions
- Step 5: Acquire & Retain more customers

Leads: 50 to 60 Per quarter
